A "FAITH-FIRST" NATIONAL CALL CENTER.

A FAITH-FIRST NATIONAL CALL CENTER.

Spirit Telecommunications offers you the ability to create your own economical local or national telecommunications campaign. We also have the ability to take on the overflow of other non-profit or business call center projects.

Spirit Telecommunications does not call out to the public. We only extend our reach to dioceses, schools districts, non-profits, and businesses. Our professional "Service-First" representatives are fully trained on proper phone verbiage and etiquette when communicating with clergy, principles, and executives. Allow us to support your faithful campaign efforts.

We provide discounts to dioceses and school districts.

# SPIRIT TELECOMMUNICATIONS

A "FAITH-FIRST" NATIONAL CALL CENTER.

1. We offer the most economical faith-first telecommunications solutions in the industry. We support dioceses, businesses, non-profits, and school districts. There is no need to spend tens-of-thousands of dollars to promote your faithful efforts when all of that money can be saved.

2. We can support every local or national campaign; no matter how big or how small. Allow us to support your diocese projects, school district projects, media projects, business marketing, fundraisers, and entertainment productions.

3. We take care of all the technical logistics and can host a numberless amount of clients on our in-house servers. Don't be fooled by other companies with fancy telecommunications jargon that means all the same thing. Allow us to break it down for you in laymens terms with a national reach and responsive results.
